### The 2X Detergent Formulas

The 2X concentrated Fab, Dynamo, and Ajax products clean the same number of wash loads with half the amount of detergent. Smaller bottles transport easily, store in less space, and pour easily.

50 oz. 2X = 100 oz. 1X

2X formulas offer your customers the advantage of convenience and budget control!

Commercial shops add Final Touch® liquid to the wash, with fabrics emerging fluffy, soft and fragrant. Final Touch® sheets achieve the same in the dryer - popular in public laundries.
